

Iron Man 3  
Study Guide

1. We know from all the *Iron Man* movies that Tony Stark's special suit protects him at every turn. Who is Tony Stark without his protective suit? What does he learn about what makes him a real man at the end? Is it the suit or something else? If so, what?
2. A very smart young boy, Harley, helps Tony. Why is Tony surprised that Harley knows so much? What do you think Tony learns about respecting kids who know how to help?
3. The *Iron Man* movies are all about weapons and war. What does Jesus say about violence? Find at least one teaching of Jesus about peace over violence (like Matthew 26:32).
4. Do you think Tony could use his brilliance to create ways for people to get along rather than make it easier to fight? Write a story or script, or make a comic book where Tony becomes a hero for negotiating peace rather than using war to solve problems.
5. Do you agree with Sister Rose's review of *Iron Man 3*? If your opinion is different, or if Sr. Rose forgot something important, write your own review here:
