

# BRAVE

1. “Brave” tells the story of a young girl who was brave. Why was she brave? What challenges did she face? List all the reasons you can think of.
2. Merida, the princess, doesn’t take the time to think about the possible consequences of asking the witch to put a spell on her mother to make her change her mind about arranging a marriage for her daughter. What could Merida have done differently about the disagreement between her and her mom? What would you have done in her place?
3. List all the female characters in the film. Then write the characteristics of what you think makes a true woman. Which of the characters fit your description? Why or why not?
4. List the key male characters in the film. How would you describe a true man? How were the men in the story represented?
5. Talk about the themes of family, marriage, asking for and giving forgiveness, responsibility, pride and humility in the film. What did you think when Merida says “Oh Mum. I’m sorry. This is all my fault”?
6. Do you agree with Sister Rose’s review of “Brave”? If your opinion is different, or if Sister Rose forgot something important, write your own review here:
