

1. Julia Roberts plays the queen, the evil stepmother, in this new version of the Snow White fairy tale. Why doesn't she listen to her "other self," her conscience, in the mirror? How did her choices contribute to what happens to her at the end?
2. Snow White arms herself with courage and goes to visit the people of her kingdom. Who is kind to Snow White, and how does she help the people?
3. What do you think each of the seven dwarves stands for?
4. Who is the hero in "Mirror Mirror"? Why?
5. Do you agree with Sister Rose's review of "Mirror Mirror"? If your opinion is different, or if Sister Rose forgot something important, write your own review here:
