## *Rio 2*

1. The city is celebrating Mardi Gras when Blu and Jewel decide to go on vacation. What Church season begins the day after Mardi Gras? What statue overlooks the city, where the birds fly around and even rest? Look up Rio de Janeiro and find out about the statue. Write some facts about the statue, or draw a picture of it here:
  
2. The Bible and our Church teach us if we care for the earth we are caring for people today and those who will follow in future generations. How do Linda and Tulio care for the earth? What was wrong and how did they fix the situation? What would have happened to the habitat of the blue macaws if Linda and Tulio had not acted? Did they do the right thing? Why or why not?
  
3. Find the Amazon Rainforest on a map, then read about rainforests. The Brazilian Rainforest is unique among all the geographical locations on the earth. Why is this so? Why are rain forests so important for people and all of creation? What do scientists call these rainforests? Why?
