

# THE VOW

1. The dilemma that Leo faces when Paige does not remember him after their accident really happened to Krickett and Kim Carpenter. Look up their story on YouTube to see an interview with them. How does this story make you feel?
2. We know that Catholic, Christian teaching tells us that to have sex before marriage is outside of God's plan for us, that sexuality is a gift for marriage. Although the film does not show Paige and Leo as religious, if you are reading this, YOU are. How did you feel about Paige and Leo moving in together before they were married? What do you think would have been the better way to prepare for marriage?
3. If you imagine yourself in the place of either Paige or Leo, what would you have done after the accident? How important are marriage vows? Explain your answer.
4. At the end of the film, how did you feel about Paige's decision to rediscover why she first fell in love with Leo?
5. Did you agree with Sister Rose's review? If your opinion is different, or if Sister Rose forgot something important, write it here and be sure to say why: \_\_\_\_\_
